SCHEDULE A

A. GENERAL INFORMATION ON SPECIAL FEES, REFUNDS, EXTENSIONS AND CANCELLATIONS

1. DOUBLE FEES

A001 When work for which a permit is required is commenced prior to the obtaining of a permit, the permit applicant will be required to pay one hundred dollars (\$100.00) plus a double permit fee. The payment of the required fee shall not relieve them from being subject to any of the penalties therein. The double fee requirements shall be applicable to all divisions of the Building and Planning Department as noted herein.

A022 For second offense to doing work without a permit, the permit applicant shall be required to pay twice the double permit fees plus two hundred dollars (\$200.00)

A023 For each offense thereafter, the permit applicant shall be required to pay twice the double permit fee plus five hundred dollars (\$500.00).

2. REINSPECTION FEES

A002 When extra inspection trips are necessary due to (1) wrong address being given on call for inspection, (2) prior rejection of work due to faulty construction, (3) work not being ready for inspection at the time specified, (4) failure to call for final or other inspections, (5) required corrections not being made or completed at time specified, a fee of eighty five dollars (\$85.00) for each reinspection shall be charged to the permit holder in the trade concerned.

3. LOST, REVISED, REWORK PLANS FEE, REPRODUCTION FEES

A003 (a) LOST PLANS: When plans for new buildings and additions are lost by the owner or contractor, a recertification fee will be required to review, stamp and approve a new set of plans as the field copy. Such fee shall be based on thirty percent (30%) of the original building permit fee, with a minimum fee for Group R3 (Single Family Residence) of one hundred and twenty-two dollars (\$122.00), and a minimum fee for all others of two hundred and twenty-one dollars (\$221.00).

(b) REVISED PLANS PROCESSING FEE

(1) Major plan revision after permit is issued shall be subject to a fee of fifty percent (50%) of the original permit fee up to a maximum of one thousand nine hundred eighty dollars (\$1,980.00).

(2) Minor plan revisions shall be subject to a fee of thirty one dollars (\$31.00) per sheet.

(c) REWORKS: A fee of one hundred and eighty-three dollars (\$183.00) may be charged for failure to make required corrections previously indicated.

(d) LOST PERMIT CARD FEE: A replacement fee of sixty-one dollars (\$61.00) shall be charged for the loss of a Permit Inspection Record Card after a permit has been issued.

(e) REPRODUCTION FEE:

Plan reproductions from microfilm / imaging – per sheet	6.15
Reproduced records – per page	0.18
Double sided copies – per page	0.25
Certified copies – per page	1.23
Research and ordering plans	6.15

4. REFUNDS, TIME LIMITATION, CANCELLATIONS

The fees charged pursuant to this schedule, provided the same are for all permits required by Section 104.6 of the Florida Building Code, may be refunded by the Building Official, subject to the following:

- (a) No refunds shall be made on the following requests involving:
 - (1) Permit fees of one hundred and seventy seven dollars (\$177.00) or less; or
 - (2) Permits revoked by the Building Official under authority granted by the Florida Building Code, or permits cancelled by court order; or conditional permits; or
 - (3) Permits which have expired; or
 - (4) Permits under which work has commenced as evidenced by any recorded inspection having been made by the Department; or
 - (5) The original permit holder when there is a change of contractor.
- (b) A full refund less than one hundred and seventy seven dollars (\$177.00) or fifty percent (50%) of the permit fee, whichever is greater, rounded to the nearest dollar shall be granted to a permit holder who requests a refund, provided:
 - (1) That the Department receives a written request from the permit holder prior to the permit expiration date; and
 - (2) That the permit holder submits with such request the applicant's validated copy of such permit; and
 - (3) That no work has commenced under such permit as evidenced by any recorded inspection and/or field inspection.

A010 (c) Where there is a change of contractor or qualifier involving a permit; the second permit holder shall pay a fee of one hundred and eighty-three dollars (\$183.00) to cover the cost of transferring the data from the original permit to the second permit.

A012 Except when the original permit has expired or the original permit fee is under one hundred and eighty-three dollars (\$183.00), in which case the original permit fee shall be paid.

A014 (d) A fee of one hundred and thirty-five dollars (\$135.00) shall be paid by the permit holder who submits a written request for a permit extension as authorized under Section 304-3(b) of the Florida Building Code.

A008 (e) Where a permit has become null and void pursuant to paragraph 104.5.1.1 of the Florida Building Code, a credit of fifty percent (50%) of the permit shall be applied to any re-application fee for a permit covering the same project and involving the same plans, provided that the complete re-application is made within 180 days of the expiration date of the original permit, and provided that no refund had been made as provided in this Section.

A009 If re-application is made after 180 days of the expiration date or if this is not the first re-application made on the project, the full permit fee shall be charged on the renewal application pursuant to the Florida Building Code 104.5.1.2. The permit re-application

Building Permit Fee Schedule

Building and Planning Department

must be submitted without the plans and the applicant's validated copy of the original permit. The amount of this fee shall be at least equal to or higher than the minimum fee for the trade concerned.

X008 5. SPECIAL PROJECTS

A fee equal to actual staff time and related costs shall be assessed for special projects requiring research by the Department in order to answer questions proposed by developers, attorneys, realtors, or municipalities, etc., in connection with the use, resubdivision, and development of properties, or to determine if any existing violations are on the property through a review of departmental records. Such special fee only will be levied for requests outside the scope of normal Departmental work. A minimum fee of one hundred and twenty-three dollars (\$123.00) shall be charged.

A002 A fee equal to two dollars and ninety five cents (\$2.95) per page shall be assessed for preprogrammed computer reports on department records. The minimum fee shall be one hundred and twenty-three dollars (\$123.00)

6. GENERAL INFORMATION

(a) 3% of Permit Fee (1.5% DCA, Minimum \$2.00 / 1.5% DBPR, Minimum \$2.00) will be added to building permits for the State of Florida to study building code requirements for radon gas and certification and regulation of building code administrators, plans examiners and inspectors.

(b) A fee of eight percent (8%) for concurrency review, of the total permit fee, Certificate of Use and Occupancy or Zoning application fee, will be added to original fees where a concurrency review was performed.

(c) Impact fees are assessed on certain building permits, including re-application on expired permits. Contact the Building and Planning Department for details on these fees.

7. FEES BASED ON ESTIMATED COST – DOCUMENTATION REQUIREMENTS

The Department may require the permit applicant to submit appropriate documentation as proof of estimated cost of construction used to compute permit fees.
