VILLAGE OF PINECREST
Office of the Village Manager

January 30, 2015

To the Honorable Mayor Cindy Lerner
Members of the Village Council and
Citizens of the Village of Pinecrest:

The Government Finance Officers' Association recommends that local governments publish within (6) six months of the close of each fiscal year a complete set of financial statements presented in conformity with generally accepted accounting principles (GAAP) and audited in accordance with generally accepted auditing standards by a firm of licensed certified public accountants. Pursuant to that recommendation, we hereby issue the comprehensive annual financial report of the Village of Pinecrest for the fiscal year ended September 30, 2014.

This report is consistent with management's representation of the Village of Pinecrest finances. Consequently, management assumes full responsibility for the completeness and reliability of all the information presented in this report. To provide a reasonable basis for making these representations, the Village of Pinecrest's management has established a comprehensive internal control framework that is designed both to protect the government's assets from loss, theft, or misuse and to compile sufficient reliable information for the preparation of the Village of Pinecrest's financial statements in conformity with GAAP. Because the cost of internal controls should not outweigh their benefits, the Village of Pinecrest's comprehensive framework of internal controls has been designed to provide reasonable rather than absolute assurance that the financial statements will be free from material misstatement. As management, we assert that, to the best of our knowledge and belief, this financial report is complete and reliable in all material respects.

The Village of Pinecrest's financial statements have been audited by Keefe, McCullough & Co. LLP a firm of licensed certified public accountants. The goal of the independent audit was to provide reasonable assurance that the financial statements of the Village of Pinecrest for the fiscal year that ended September 30, 2014, are free of material misstatement. The independent audit involved examining, on a test basis, evidence supporting the amount and disclosures in the financial statements; assessing the accounting principles used and significant estimates made by management; and evaluating the overall financial statement presentation. The independent auditor concluded, based upon the audit, that there was a reasonable basis for rendering an unqualified opinion that the Village of Pinecrest's financial statements for the fiscal year ended September 30, 2014, are fairly presented in conformity with GAAP. The independent auditor's report is presented as the first component of the financial section of this report.

GAAP requires that management provide a narrative introduction, overview, and analysis to accompany the basic financial statements in the form of Management's Discussion and Analysis (MD&A). This letter of transmittal is designed to complement MD&A and should be read in conjunction with it. The Village of Pinecrest's MD&A can be found immediately following the report of the independent auditors.

12645 Pinecrest Parkway, Pinecrest, Florida 33156

Profile of the Government

The Village of Pinecrest was incorporated on March 12, 1996 pursuant to Ordinance 95-207 adopted by the Miami-Dade Board of County Commissioners on November 12, 1995. The Village of Pinecrest occupies a land area of approximately 8 square miles and serves a population of 18,403. The Village of Pinecrest receives tax levies on real and personal properties located within its boundaries.

The Village of Pinecrest has operated under the Council-Manager form of government since its inception. Policy making and legislative authority are vested in a governing council consisting of the Mayor and four Council Members. The Council is responsible for adopting ordinances, adopting the budget, appointing the Village Manager, Village Clerk and Village Attorney, among other things. The Village Manager is responsible for carrying out the policies and directives of the Council, for overseeing the day-to-day operations of the government, and for appointing the heads of various departments.

The Village of Pinecrest offers a wide range of services, including, police protection, maintenance of roadways, parks and recreation, building, planning and zoning and stormwater services. Certain services are provided through other governmental entities such as the Miami-Dade Fire and Rescue Department, Miami-Dade Public School Board and Miami-Dade County.

The Village of Pinecrest has six major departments: Police, Building and Planning, Public Works, Parks & Recreation, Pinecrest Gardens and General Government. General Government consists of the following sub-divisions; Village Council, Village Manager, Village Clerk, Finance, Information Technology and Village Attorney.

The annual budget serves as a foundation for the Village of Pinecrest's financial planning and control. All departments of the Village are required to submit requests for appropriation to the Village Manager and these requests are the starting point for developing a proposed budget. The Village Manager then presents this proposed budget to the Village Council for review. The Village Council is required to hold public hearings on the proposed budget and to adopt a final budget no later than September 30th, the close of the Village's fiscal year. The appropriated budget is prepared by type of fund and department. No department may expend in excess of the amount appropriated for that department within an individual fund without the approval of the Village Manager. The Village Manager may make transfers of appropriations within a department. Transfers of appropriations between departments require the approval of the Village Council through a budget amendment process. The Village Council approves supplemental appropriations. Budget to actual comparisons are provided in this report for the General Fund for which an appropriated annual budget has been adopted. The General Fund, budget to actual report is presented in the required supplemental information section of this report.

Factors Affecting Financial Condition

The information presented in the financial statements is best understood when it is considered from the broader perspective of the specific environment with which the Village of Pinecrest operates.

Local economy. The real estate sales have stabilized and development has seen an uptick. The Village of Pinecrest still enjoys a favorable economic environment and local indicators point to continued stability. This medium sized municipality is an active community of involved citizens who take a genuine interest in the social, business, cultural and governing aspects of their Village. The Village is comprised of an affluent residential housing stock and several retail shopping malls. There is no industrial area in the community.

Long-term financial planning. The Village has undertaken several capital improvement projects as part of its five year capital improvement plan. The Village of Pinecrest has provided funding for improvements at the Community Center, Greer Park, Suniland Park, Flagler Grove and Coral Pines Park; Improvements at Pinecrest Gardens; transportation projects; stormwater drainage improvements; Veterans Wayside Park, Municipal Center landscaping and water line improvements.

Financial policies. The Village of Pinecrest has the following financial policies: Operating Budget Policy, Capital Improvement Policy, Debt Policy, Revenue Policy, Investment Policy, Fund Balance Policy, Account, Auditing & Financial Policy, Audit Committee & Auditor Selection Policy, Capital Asset Policy, Travel Policy, Purchasing Policy, Retiree Health Care Policy, Fraud Policy, and Credit Card Policy. The Revenue Policy establishes that all one time revenues will be matched with expenditures to decrease the reliance on the fund balance.

Pension. The Village of Pinecrest sponsors a defined contribution pension plan 401 (a) with the ICMA RC (International City/County Management Association, Retirement Corporation). With the exception of sworn police personnel, full time employee contributes seven percent (7) % of his or her pay to the plan, which is matched by a contribution by the Village of Pinecrest of ten percent (10%).

A defined benefit plan sponsored by the Florida Retirement System (FRS) was established for sworn police personnel. Sworn police personnel who were employed at the time the defined benefit plan by FRS was established had the option of remaining in the 401 (a) plan sponsored by the ICMA RC. All newly hired sworn police personnel participate in the FRS.

Additional information on the Village of Pinecrest pension benefits can be found in Notes 3 (E) of the financial statements.

Awards and acknowledgements

The Government Finance Officers Association of the United State and Canada (GFOA) awarded a Certificate of Achievement for Excellence in Financial Reporting to the Village of Pinecrest for its comprehensive annual financial report (CAFR) for the fiscal year ended September 30, 2013. This was the 18th year that the Village received this prestigious award. In order to be awarded a Certificate of Achievement, the government must publish an easily readable and efficiently organized Comprehensive Annual Financial Report. The report submitted for the Fiscal Year 2013 satisfied both GAAP and applicable legal requirements.

A Certificate of Achievement is valid for a period of one year only. We believe that our current CAFR continues to meet the Certificate of Achievement Program's requirements and it will be submitted to the GFOA to determine its eligibility for another certificate.

The preparation of this report would not have been possible without the efficient and dedicated services of the entire staff of the Finance Department. We would like to express our appreciation to all members of the departments who assisted and contributed to the preparation of this report. Credit must also be given to the Mayor and the Village Council for their unfailing support for maintaining the highest standards of professionalism in the management of the Village of Pinecrest's finances.

Respectfully submitted,

FINANCIAL SECTION

REPORT OF INDEPENDENT
CERTIFIED PUBLIC ACCOUNTANTS

INDEPENDENT AUDITOR'S REPORT

To The Honorable Mayor,
Village Council and Village Manager
Village of Pinecrest, Florida

Report on the Financial Statements

We have audited the accompanying financial statements of the governmental activities, the business-type activities, each major fund and the aggregate remaining fund information of the Village of Pinecrest, Florida (the "Village") as of and for the fiscal year ended September 30, 2014, and the related notes to the financial statements, which collectively comprise the Village's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, each major fund and the aggregate remaining fund information of the Village, as of September 30, 2014, and the respective changes in financial position and where applicable, cash flows thereof for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis and schedule of funding progress, other post-employment benefits plan, on pages 4 through 11 and page 41, respectively, be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Village's basic financial statements. The introductory section, combining and individual nonmajor fund financial statements, budgetary comparison schedules and statistical section, are presented for purposes of additional analysis and are not a required part of the basic financial statements.

The combining and individual nonmajor fund financial statements and budgetary comparison schedules are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the combining and individual nonmajor fund financial statements and budgetary comparison schedules are fairly stated in all material respects in relation to the basic financial statements as a whole.

The introductory and statistical sections have not been subjected to the auditing procedures applied in the audit of the basic financial statements and, accordingly, we do not express an opinion or provide any assurance on them.

Village of Pinecrest, Florida

Other Reports Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated January 30, 2015 on our consideration of the Village's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Village's internal control over financial reporting and compliance.

MANAGEMENT'S DISCUSSION
AND ANALYSIS (MD&A)

VILLAGE OF PINECREST, FLORIDA
MANAGEMENT'S DISCUSSION AND ANALYSIS
September 30, 2014

As management of the Village of Pinecrest, Florida, we offer readers of the Village of Pinecrest, Florida's financial statements this narrative overview and analysis of the financial activities of the Village of Pinecrest for the fiscal year ended September 30, 2014. We encourage readers to consider the information presented here in conjunction with additional information that we have furnished in our letter of transmittal.

Financial Highlights

- The assets and deferred outflows of resources of the Village of Pinecrest exceeded its liabilities and deferred inflows at the close of the most recent fiscal year by \$ 105,446,251 (net position). Of this amount, \$ 8,106,720 (unrestricted net position) may be used to meet the government's ongoing obligations to citizens and creditors.
- The governmental total net position decreased by \$ 3,407,663. This decrease was largely a result of depreciation.
- As of the close of the current fiscal year, the Village of Pinecrest's governmental funds reported combined ending fund balances of \$ 15,398,844, an increase of \$ 168,052 in comparison with the prior year. Approximately 48.2% of this total amount, \$ 7,419,946 is available for spending at the government's discretion (unassigned fund balance).
- At the end of the current fiscal year, unassigned fund balance for the General Fund was \$ 7,419,946 or 38.4% of total General Fund expenditures and transfers.
- The Village of Pinecrest total bonded debt decreased by \$ 1,068,300 (9.7%) during the current fiscal year.

Overview of the Financial Statements

This discussion and analysis are intended to serve as an introduction to the Village of Pinecrest basic financial statements. The Village of Pinecrest basic financial statements comprise three components: 1) government-wide financial statements, 2) fund financial statements, and 3) notes to the financial statements. This report also contains other supplementary information in addition to the basic financial statements themselves.

Government-wide financial statement. The government-wide financial statements are designed to provide readers with a broad overview of the Village of Pinecrest's finances, in a manner similar to a private-sector business.

The statement of net position presents information on all of the Village of Pinecrest's assets, liabilities and deferred inflows/outflows of resources with the difference between the two reported as net position. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position of the Village of Pinecrest is improving or deteriorating.

The statement of activities presents information showing how the government's net position changed during the most recent fiscal year. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, regardless of the timing of related cash flows. Thus, revenues and expenses are reported in this statement for some that will only result in cash flows in the future fiscal periods (e.g., uncollected taxes and earned but unused vacation leave).

Both of the government-wide financial statements of the Village of Pinecrest are principally supported by taxes and intergovernmental revenues (governmental activities). The governmental activities of the Village of Pinecrest include general government, police, public works (including highways), parks, and planning and building. The government-wide financial statements report on only the Village of Pinecrest.

VILLAGE OF PINECREST, FLORIDA
MANAGEMENT'S DISCUSSION AND ANALYSIS
September 30, 2014

Fund financial statements. A fund is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. The Village of Pinecrest, like other state and local governments, uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements. All of the funds of the Village of Pinecrest are governmental and proprietary funds.

Governmental funds. Governmental funds are used to account for essentially the same functions reported as governmental activities in the government-wide financial statements. However, unlike the government-wide financial statements, governmental fund financial statements focus on near-term inflows and outflows of spendable resources, as well as on balances of spendable resources available at the end of the fiscal year. Such information may be useful in evaluating a government's near-term financing requirements.

Because the focus of governmental funds is narrower than that of the government-wide financial statements, it is useful to compare the information presented for governmental funds with similar information presented for governmental activities in the government-wide financial statements. By doing so, readers may better understand the long-term impact of the government's near term financing decisions. Both the governmental fund balance sheet and the governmental fund statement of revenues, expenditures, and changes in fund balances provide reconciliation to facilitate this comparison between governmental funds and governmental activities.

The Village of Pinecrest maintains nine (9) individual governmental funds. Information is presented separately in the governmental fund balance sheet and in the governmental fund statement of revenues, expenditures, and changes in fund balances for General, Capital Projects, six (6) Special Revenue funds and a Debt Service Fund. Only the General, Transportation, CITT Public Transit Fund and Capital Projects funds are considered to be major funds. Data from the other funds are combined into a single, aggregated presentation. Individual data for these non-major governmental funds are provided in the form of combining statements elsewhere in this report.

The Village of Pinecrest adopts an annual appropriated budget for its General Fund as well as its other governmental funds. A budgetary comparison statement has been provided for the General Fund to demonstrate compliance with this budget.

Proprietary fund. The Village of Pinecrest maintains one type of proprietary fund, an enterprise fund. Enterprise funds are used to report the same functions presented as business-type activities in the government-wide financial statements. The Village of Pinecrest uses an enterprise fund to account for its stormwater activities.

Proprietary funds provide the same type of information as the government-wide financial statements, only in more detail. The proprietary fund financial statements provide separate information for the Stormwater Fund which is considered a major fund of the Village of Pinecrest.

Notes to the financial statements. The notes provide additional information that is essential to a full understanding of the data provided in the government-wide and fund financial statements.

The combining statements referred to earlier in connection with nonmajor governmental funds are presented immediately following the footnotes.

Government-wide Financial Analysis

As noted earlier, net position may serve over time as a useful indicator of a government's financial position. In the case of the Village of Pinecrest, assets and deferred outflows of resources exceeded liabilities and deferred inflows by \$ 105,446,251 at the close of the most recent fiscal year.

VILLAGE OF PINECREST, FLORIDA
MANAGEMENT'S DISCUSSION AND ANALYSIS
September 30, 2014

By far the largest portion of the Village of Pinecrest's net position \$ 90,600,941 (85.9%) reflects its investment in capital assets (e.g., land, buildings, machinery, and equipment); less any related debt used to acquire those assets that are still outstanding. The Village of Pinecrest uses these capital assets to provide services to citizens; consequently, these assets are not available for future spending. Although the Village of Pinecrest's investment in its capital assets is reported net of related debt, it should be noted that the resources needed to repay this debt must be provided from other sources, since the capital assets themselves cannot be used to liquidate these liabilities.

Village of Pinecrest, Florida's

Total net position	\$ 98,895,989	\$ 102,303,652	\$ 6,550,262	\$ 6,772,747	\$ 105,446,251	\$ 109,076,399

The balance of unrestricted net position \$ 8,106,720 may be used to meet the government's ongoing obligations to citizens and creditors.

At the end of the current fiscal year, the Village of Pinecrest is able to report positive balances in all three categories of net position.

Governmental activities. Governmental activities decreased the Village of Pinecrest's net position by \$ 3,407,663. Key elements in the changes in net position activity are as follows:

- Taxes, \$ 12,544,802 comprised (60.7%) of the total governmental revenues, \$ 20,656,279 during the fiscal year. Most of this category is property taxes, \$ 7,817,494.
- Charges for services accounted for \$ 5,011,387 (24.3%) of total governmental revenues.
- Operating and capital grants and contributions accounted for \$ 798,460 (3.9%) of total governmental revenues. Capital grants and contributions decreased in the current year due to the receipt in the prior year of a grant for busway shelters.

Expenses and Program Revenues – Governmental Activities

VILLAGE OF PINECREST, FLORIDA
 MANAGEMENT'S DISCUSSION AND ANALYSIS
 September 30, 2014

Revenues by Source - Governmental Activities

For the most part, expenditures were level as the Village controlled the demand for services. The Village of Pinecrest's Park and Recreation Department continued to improve Pinecrest Gardens. Ad valorem taxes had a modest increase. There were fewer capital grants as federal, state and county resources were reduced.

Financial Analysis of the Government's Funds

The Village of Pinecrest used fund accounting to ensure and demonstrate compliance with finance related requirements.

Governmental funds. The focus of the Village of Pinecrest's governmental funds is to provide information on near term inflows, outflows, and balances of spendable resources. Such information is useful in assessing the Village of Pinecrest's financing requirements. In particular, unassigned fund balance may serve as a useful measure of a government's net resources available for spending at the end of the fiscal year.

As of the end of the current fiscal year, the Village of Pinecrest's governmental funds (GAAP basis) reported combined ending fund balances of \$ 15,398,844, an increase of \$ 168,052 in comparison with the prior year, \$ 15,230,792. Approximately 48.2% of this total amount - \$ 7,419,946 constitutes unassigned fund balance, which is available for spending at the government's discretion. The remainder of fund balance is not available for new spending or is assigned.

The General Fund is the chief operating fund of the Village of Pinecrest. At the end of the current fiscal year, unassigned fund balance of the General Fund was \$ 7,419,946. As a measure of the General Fund's liquidity, it may be useful to compare both unassigned fund balance and total fund balance to total fund expenditures. Unassigned fund balance represents 38.4% of total General Fund expenditures including transfers, while total fund balance represents 42.2% of that same amount.

- The fund balance of the Village of Pinecrest's General Fund increased by \$ 66,641 during the current fiscal year.
- Public works services expenditures increased by \$ 267,849 due to escalating depreciation write-offs.

VILLAGE OF PINECREST, FLORIDA
MANAGEMENT'S DISCUSSION AND ANALYSIS
September 30, 2014

- The increase in expenses for Parks and Recreation including Pinecrest Gardens was due mainly to increased expanded programming.

The Debt Service Fund has no fund balance. The government transfers the exact amount needed for both principal and interest payments each year. This year \$ 1,163,724 was transferred into the fund for principal payments, an increase of \$ 38,724. This year \$ 331,205 was transferred into the fund for interest payments, a decrease of \$ 62,615.

Proprietary Fund. The Stormwater Fund accounts for revenues collected for the maintenance of the stormwater collection function in the Village. The canals and underground pipes are maintained by the Village and there are operational costs associated with treating the water. This year the unrestricted net position went from \$ 1,316,828 to \$ 409,979, a decrease of \$ 906,849. This decrease reflects the fact that funds were used for capital improvements which are depreciated over many years.

General Fund Budget Highlights

During the year, revenues and transfers in were less than expenditures and transfers out increasing the fund balance by \$ 66,641.

The following highlights the reason for the budget amendments and variances in the General Fund:

- **Franchise Taxes, (\$ 339,552).** The franchise taxes are based upon a tax on gross receipts offset by ad valorem tax credits paid by the County. There was a large increase in County wide taxes this year resulting in a larger off-set. The Village falls under the County's agreement with FPL until 2019 when a new agreement will be negotiated. This type of offset is no longer allowed for renewing agreements.
- **Fines and Forfeitures, (\$ 1,069,154).** A new revenue source for red light camera fines estimated at \$ 1,400,000 was not able to be commenced due to start issues and delays in getting permitting from the County.
- **Licenses and Permits, \$ 540,502.** The licenses and permits rose in part to an aggressive program to close expired permits and increased building activity in the Village.
- **Police Department, \$ 331,145.** As a result of the lost revenue from red light cameras, each department reduced operating expenses where possible. The Police Department reductions were possible due to a red light camera contract not being implemented as a result of the delay and personnel vacancies.

VILLAGE OF PINECREST, FLORIDA
MANAGEMENT'S DISCUSSION AND ANALYSIS
September 30, 2014

Capital Asset and Debt Administration

Capital assets. The Village of Pinecrest's investment in capital assets for its governmental activities as of September 30, 2014 amounts to \$ 94,407,358 (net of accumulated depreciation). This investment in capital assets includes land, buildings, equipment, roads, sidewalks, infrastructure, stormwater system and construction in progress. The total decrease in the Village of Pinecrest's investment in capital assets for the current fiscal year was 5.09%.

Major capital asset events during the current fiscal year included the following:

- Stormwater improvements.
- Renovations and improvements at Pinecrest Gardens.
- Village-wide road improvement.

General Obligation Bonds**

	Governmental Activities	
	2014	2013
General Obligation Bonds	\$ 9,946,700	\$ 11,015,000

The Village of Pinecrest decreased its total debt by \$ 1,068,300 or 9.7% during the current fiscal year. There are four issues outstanding: Evelyn Greer Park refinancing, \$ 2,735,000, which matures in fiscal year 2019; Pinecrest Gardens refinancing (formerly known as Parrot Jungle), \$ 3,975,000, which matures in fiscal year 2022, the Library/Community Center refinancing, \$ 1,931,700, which matures in fiscal year 2024, and Pinecrest Gardens Improvements refinancing, \$ 1,305,000, which matures in fiscal year 2030.

VILLAGE OF PINECREST, FLORIDA
MANAGEMENT'S DISCUSSION AND ANALYSIS
September 30, 2014

The last Village of Pinecrest issue, \$ 2,085,424, was made in conjunction with the Florida Municipal Loan Council on February 12, 2014. These bonds carried the following bond ratings:

- Standard & Poor's - AAA
- Fitch - AA+.

Additional information on the Village of Pinecrest's long term debt can be found in Note 2E.

Economic Factors and Next Year's Budgets and Rates

- The unemployment rate for Miami-Dade County/Fort Lauderdale is currently 6.1%, which is a decrease from a rate of 7.1% a year ago. The Village of Pinecrest residents will have a lower unemployment rate than is reported for the County.
- Inflationary trends in the region compare favorably to national indices.

During the current fiscal year, unassigned fund balance decreased to \$ 7,419,946. The Village of Pinecrest has assigned \$ 556,496 of fund balance for spending in the 2015 fiscal year budget.

Requests for Information

This financial report is designed to provide a general overview of the Village of Pinecrest's finances. Questions concerning any of the information provided in this report or requests for additional financial information should be addressed to the Department of Finance, 12645 Pinecrest Parkway, Pinecrest, Florida 33156-5931; or emailed to finance@pinecrest-fl.gov.

VILLAGE OF PINECREST, FLORIDA
RECONCILIATION OF THE STATEMENT OF REVENUES
EXPENDITURES, AND CHANGES IN FUND BALANCE OF GOVERNMENTAL
FUNDS TO THE STATEMENT OF ACTIVITIES
For the Fiscal Year Ended September 30, 2014

NET CHANGE IN FUND BALANCES - TOTAL GOVERNMENTAL FUNDS \$ 168,052

Amounts reported for governmental activities are different because:

Governmental funds report capital outlays as expenditures. However, in the statement of activities, the cost of those assets is allocated over their estimated useful lives and reported as depreciation expense. This is the amount by which capital outlays exceeded depreciation in the current period.

The details of the difference are as follows:

Capital outlay	\$	691,190	
Depreciation		(5,743,140)	
Disposals of capital assets		(7,722)	
Net adjustment		(5,059,672)	(5,059,672)

The issuance of long-term debt (e.g., bonds, master leases) provides current financial resources to governmental funds, while the repayment of the principal of long-term debt consumes the current financial resources of governmental funds. Neither transaction, however, has any effect on net position.

The details of the difference are as follows:

Proceeds from debt issuance		(2,085,424)	
Bond payments		3,200,230	1,114,806

Some expenses reported in the statement of activities do not require the use of current financial resources and, therefore, are not reported as expenditures in governmental funds.

The details of the difference is as follows:

Other post-employment benefits			(68,000)
Amortization of deferred charge and gain on refunding and discounts and premiums			(14,045)
Loss contingency			415,000
Accrued interest			17,425
Compensated absences			18,771

CHANGE IN NET POSITION OF GOVERNMENTAL ACTIVITIES \$ (3,407,663)

NOTES TO BASIC FINANCIAL STATEMENTS

VILLAGE OF PINECREST, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
September 30, 2014

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Reporting entity

The Village of Pinecrest was incorporated on March 12, 1996 pursuant to Ordinance 95-207 adopted by the Miami Dade Board of County Commissioners on November 12, 1995. The Village of Pinecrest occupies a land area of eight (8) square miles and serves a population of 18,403. The Village of Pinecrest operates under a Council-Manager form of government and provides the following services: public safety (police), public works, building, planning and zoning, code enforcement, stormwater management, and parks and recreation. The basic financial statements of the Village of Pinecrest have been prepared in conformity with accounting principles generally accepted in the United States (GAAP) as applied to governmental units. The Governmental Accounting Standards Board (GASB) is the accepted standard setting body for establishing governmental and financial reporting principles.

The financial statements were prepared in accordance with Government Accounting Standards, which establishes standards for defining and reporting on the financial reporting entity. The definition of the financial reporting entity is based upon the concept that elected officials are accountable to their constituents for their actions. One of the objectives of financial reporting is to provide users of financial statements with a basis for assessing the accountability of the elected officials. The financial reporting entity consists of the Village of Pinecrest, organizations for which the Village of Pinecrest is financially accountable and other organizations for which the nature and significance of their relationship with the Village of Pinecrest are such that exclusion would cause the reporting entity's financials statements to be misleading or incomplete. The Village of Pinecrest is financially accountable for a component unit if it appoints a voting majority of the organization's governing board and it is able to impose its will on that organization or there is a potential for the organization to provide specific financial benefits to, or impose specific financial burdens on the Village of Pinecrest. Based upon the application of these criteria, there were no organizations that met the criteria described above.

B. Government-wide and fund financial statements

The government-wide financial statements (i.e., the statement of net position and the statement of changes in net position) report information on all of the activities of the Village of Pinecrest. The effect of interfund activity has been removed from these statements. Governmental activities, which normally are supported by taxes and intergovernmental revenues, are reported separately from business-type activities which rely to a significant extent on fees and charges for support.

The statement of activities demonstrates the degree to which the direct expenses of a given function or segment are offset by program revenues. Direct expenses are those that are clearly identifiable with a specific function or segment. Program revenues include 1) charges to customers or applicants who purchase, use, or directly benefit from goods, services, or privileges provided by a given function or segment and 2) grants and contributions that are restricted to meeting the operational or capital requirements of a particular function or segment. Taxes and other items not properly included among program revenues are reported instead as general revenues.

Separate financial statements are provided for governmental funds and the proprietary fund. Major individual governmental funds and major individual enterprise funds are reported as separate columns in the fund financial statements.

VILLAGE OF PINECREST, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
September 30, 2014

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

C. Measurement focus, basis of accounting, and financial statement presentation

The government-wide financial statements are reported using the economic resources measurement focus and the accrual basis of accounting as is used for the proprietary fund financial statements. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows. Property taxes are recognized as revenues in the year for which they are levied. Grants and similar items are recognized as revenue as soon as all eligibility requirements imposed by the provider have been met.

Governmental fund financial statements are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be available when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the Village considers revenues to be available if they are collected within 30 days of the end of the current fiscal period. Expenditures generally are recorded when a liability is incurred, as under accrual accounting. However, debt service expenditures, as well as expenditures related to compensated absences and claims and judgments, are recorded only when payment is due.

Property taxes, franchise taxes, licenses and interest associated with the current fiscal period are all considered to be susceptible to accrual and so have been recognized as revenues of the current fiscal period. All other revenue items are considered to be measurable and available only when cash is received by the Village.

The Village of Pinecrest reports the following major governmental funds:

- The General Fund is the Village's primary operating fund. It accounts for all financial resources of the general government, except those required to be accounted for in another fund.
- The Transportation Fund receives grants from the State of Florida and from Miami-Dade County to be used to account for and report resources restricted or committed to improvement of the Village of Pinecrest roadway system. The primary sources of revenue are intergovernmental grants for a portion of the gasoline sales tax and a Miami-Dade County share of a 1/2 cent sales tax to be used for non-public transportation.
- The CITT Public Transit Fund reports on the public transit funds received from a portion of the transportation sales tax.
- The Capital Projects Fund receives transfers from the General Fund as well as grants and accounts for purchases of land and improvements to the parks and buildings in the community.

The Village reports its only proprietary fund as a major fund:

- The Stormwater Fund (an enterprise fund) accounts for the stormwater control activities of the community. Funds are received from business and residential users and used to maintain the stormwater collection system.

VILLAGE OF PINECREST, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
September 30, 2014

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

As a general rule the effect of interfund activity has been eliminated from the government-wide financial statements.

Amounts reported as program revenues include 1) charges to customers or applicants for goods, services, or privileges provided, 2) operating grants and contributions, and 3) capital grants and contributions. General revenues include all taxes.

Proprietary funds distinguish operating revenues and expenses from non-operating items. Operating revenues and expenses generally result from providing services and producing and delivering goods in connection with a proprietary fund's principal ongoing operations. The principal operating revenues of the Stormwater Fund are charges to business and residential customers for stormwater system maintenance. Operating expenses report on the costs to maintain the stormwater system, the cost of sales and services, administrative expenses and depreciation on capital assets. All revenues and expenses not meeting this definition are reported as non-operating revenues and expenses.

D. Assets, liabilities deferred outflows/inflows of resources, and net position/fund balance

1. Deposits and investments

Cash and cash equivalents, which are cash and short-term investments with maturities of three months or less, include cash on hand, and investments with the State Board of Administration Investment Pool. Investments are reported at fair value.

2. Capital assets

Capital assets, which include property, land, rights of way, equipment, computer software and infrastructure assets (e. g., roads, bridges, sidewalks and similar items), are reported in the applicable governmental or business type activities columns in the government-wide financial statements. Capital assets are defined by the government as assets with an initial, individual cost of more than \$ 10,000 (amount not rounded) and an estimated useful life in excess of three years. Such assets are recorded at historical cost or estimated historical cost if purchased or constructed. Donated capital assets are recorded at estimated fair market value at the date of donation.

The costs or normal maintenance and repairs that do not add to the value of the asset or materially extend assets lives are not capitalized. Major outlays for capital assets and improvements are capitalized as projects are constructed.

Capital assets of the Village are depreciated using the straight line method over the following estimated useful lives:

- Buildings - 40 years
- Improvements - 15 years
- Equipment :
 - Cars - 5 years
 - Trucks - 10 years
 - Equipment - 5 years
 - Computer equipment - 3 years
- Computer software - 7 years

VILLAGE OF PINECREST, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
September 30, 2014

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

- Infrastructure:
 - Roads - 25 years
 - Stormwater system - 50 years
 - Sidewalks - 20 years

3. Deferred outflows/inflows of resources

In addition to assets, the statement of financial position will sometimes report a separate section for deferred outflows of resources. This separate financial statement element, *deferred outflows of resources*, represents a consumption of net position that applies to a future period(s) and so will *not* be recognized as an outflow of resources (expense/expenditure) until then. The Village only has one item that qualifies for reporting in this category. It is the deferred charge on refunding reported in the government-wide statement of net position. A deferred charge on refunding results from the difference in the carrying value of refunded debt and its reacquisition price. This amount is deferred and amortized over the shorter of the life of the refunded or refunding debt.

In addition to liabilities, the statement of financial position will sometimes report a separate section for deferred inflows of resources. This separate financial statement element, *deferred inflows of resources*, represents an acquisition of net position that applies to a future period(s) and so will *not* be recognized as an inflow of resources (revenue) until that time. The Village only has one item that qualifies for reporting in this category. It is a deferred gain on refunding that results from the difference in the carrying value of refunded debt and its reacquisition price. This amount is deferred and amortized over the shorter of the life of the refunded or refunding debt.

4. Compensated absences

Village employees are granted vacation and sick leave in varying amounts based on length of service and the department that the employee services.

The Village's sick leave policy is to permit employees to accumulate earned but unused sick pay benefits. Such leave is accrued and reported as a fund liability when it is probable that the Village will compensate the employee in the following fiscal year. Unused sick pay is not paid at termination.

The Village's vacation policy is that earned vacation must be taken within one year of the employee's anniversary. Carryover is limited to two hundred and forty (240) hours. Unused vacation pay, if any, is paid with the employee's termination or retirement. Those amounts estimated to be liquidated with expendable available financial resources from the General Fund are reported as expenditures and a fund liability of the General Fund.

5. Long term obligations

In the government-wide financial statements, long-term debt and other long-term obligations are reported as liabilities in the applicable governmental activities or business-type activities. Bond premiums and discounts are deferred and amortized over the life of the bonds using the effective interest method. Bonds payable are reported net of the applicable bond premium or discount.

VILLAGE OF PINECREST, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
September 30, 2014

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

In the fund financial statements, governmental fund types recognize bond premiums and discounts during the current period. The face amount of debt issued is reported as another financing source. Premiums received on debt issuances are reported as other financing sources while discounts on debt issuances are reported as other financing uses.

6. Property taxes

Property taxes for the current year were assessed and collected by Miami-Dade County and subsequently remitted to the Village. Property taxes are assessed as of January 1 each year and are first billed (levied) and due the following November 1. Under Florida law, the assessment of all properties and the collection of all county, municipal, school board and special district property taxes are consolidated in the offices of the County Property Appraiser and County Tax Collector. The laws for the State regulating tax assessments are also designed to assure a consistent property valuation method statewide. State statutes permit municipalities to levy property taxes at a rate of up to 10 mills (\$ 10 per \$ 1,000 of assessed taxable valuation). The millage rate assessment by the Village for the year ended September 30, 2014 was 2.2000 mills.

The tax levy of the Village is established by the Village Council prior to October 1 of each year, and the County Property Appraiser incorporates the millage into the tax levy, which includes Miami-Dade County, Miami-Dade County School Board and special taxing districts.

All property is reassessed according to its fair market value as of January 1 of each year. Each assessment roll is submitted to the Executive Director of the State Department of Revenue for review to determine if the rolls meet all of the appropriate requirements of State Statutes.

All real and tangible personal property taxes are due and payable on November 1, each year or as soon as practicable thereafter as the assessment roll is certified by the County Property Appraiser. Miami-Dade County mails to each property owner on the assessment roll a notice of the taxes due and Miami-Dade County also collects the taxes for the Village. Taxes may be paid upon receipt of such notice from Miami-Dade County, with discounts at the rate of four percent (4%) if paid in the month of November, three percent (3%) if paid in the month of December, two percent (2%) if paid in the month of January and one percent (1%) if paid in the month of February. Taxes paid during the month of March are without discount, and all unpaid taxes on real and tangible personal property become delinquent and liens are placed on April 1 of the year following the year in which taxes were assessed. Procedures for the collection of delinquent taxes by Miami-Dade County are provided for in the laws of Florida. There were no material delinquent property taxes at September 30, 2014.

7. Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Although these estimates are based on management's knowledge of current events and actions it may undertake in the future, they may ultimately differ from actual results.

VILLAGE OF PINECREST, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
September 30, 2014

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

8. Date of Management Review

Subsequent events were evaluated by management through January 30, 2015, which is the date the financial statements were available to be issued.

NOTE 2 - DETAILED NOTES ON ALL FUNDS

A. Deposits and investments

Deposits

In addition to insurance provided by the Federal Depository Insurance Corporation, all deposits are held in banking institutions approved by the State Treasurer of the State of Florida to hold public funds. Under Florida Statutes Chapter 280, Florida Security for Public Deposits Act, the State Treasurer requires all Florida qualified public depositories to deposit with the Treasurer or banking institution eligible collateral. In the event of a failure of a qualified public depository, the remaining public depositories would be responsible for covering any resulting losses.

Investments

The Village of Pinecrest invests surplus funds in an external investment pool, the Local Government Surplus Funds Trust Fund ("Florida PRIME"). Florida PRIME is administered by the Florida State Board of Administration ("SBA"), who provides regulatory oversight.

The Florida PRIME has adopted operating procedures consistent with the requirement for a 2a7-like fund. The Village of Pinecrest's investment in the Florida PRIME is reported at amortized cost. The fair value of the position in the pool is equal to the value of the pool shares.

The Village of Pinecrest had the following investments as of September 30, 2014:

Investment	Maturities	Fair Value
Florida PRIME	Weighted average days to maturity is 39 days	\$ 12,243,249

Credit Risk

The Village of Pinecrest has an investment policy that emphasis the safety of principal while maintaining adequate liquidity to meet its needs. Investments are limited to the highest ratings by two of the nationally recognized statistical rating organizations (NRSRO) - (Standard and Poor's and Moody's Investment Services). Florida PRIME is rated AAAM by Standard and Poor's.

VILLAGE OF PINECREST, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
September 30, 2014

NOTE 2 - DETAILED NOTES ON ALL FUNDS (continued)

Concentration Credit Risk

GASB Statement 40 requires disclosure when the percent is 5% or more in any one issuer. External investment pools are exempt from concentration risk disclosures.

Interest Rate Risk

In accordance with our investment policy, the Village of Pinecrest manages its exposure to declines in fair values by investing in conservative investments with the emphasis on safety of principal.

B. Receivables

Receivables as of fiscal year end for the Village's individual major and nonmajor funds, in the aggregate, including the applicable allowances for uncollectible accounts, are as follows:

	General	Transportation	CITT Public Transit Fund	Other Non-Major Governmental Funds	Stormwater	Total
Receivables:

NOTE 2 - DETAILED NOTES ON ALL FUNDS (continued)

E. Long-term debt

Florida Municipal Loan Revenue Bonds, Series 2011-1, Series 2011-2 Series 2012 and Series 2014. The Village of Pinecrest has four bond issues outstanding. Series 2011-1 was for \$ 4,320,000 for the refunding of the 1999 bonds for development of Pinecrest Park. Series 2011-2 for \$ 1,505,000 was for capital improvements at Pinecrest Gardens and the Community Center. The 2011 series bonds bear interest rates from 2.0 - 5.0 %. Series 2012 for \$ 4,860,000 bearing interest at 2.3% refunded the Series 2002 bonds that paid for the development of Pinecrest Gardens. Series 2014 for \$ 2,085,424 bearing interest at 2.13% refunded the Series 2004 bonds that paid for the construction costs of the Library/Community Center at Pinecrest Gardens. The principal and interest on these bonds are payable from a pledge of non-ad valorem revenues, as defined.

<u>Year Ending September 30,</u>	<u>Principal</u>	<u>Interest and fees</u>	<u>Total</u>
2015	\$ 1,210,700	\$ 285,446	\$ 1,496,146

2018	1,306,600	189,706	1,496,306
2019	1,342,900	152,872	1,495,772
2020-2024	2,963,300	371,089	3,334,389
2025-2029	500,000	111,615	611,615
2030	115,000	6,513	121,513
Totals	\$ <u>9,946,700</u>	\$ <u>1,596,902</u>	\$ <u>11,543,602</u>

Changes in long-term debt of governmental activities during the year are summarized as follows:

	<u>Balance September 30, 2013</u>	<u>Additions</u>	<u>Reductions</u>	<u>Balance September 30, 2014</u>	<u>Due Within One Year</u>
Bonds payable	\$ 11,015,000	\$ 2,085,424	\$ 3,153,724	\$ 9,946,700	\$ 1,210,700
Unamortized premium/ discount	79,231	-	79,231	-	-
Compensated absences	420,399	572,717	591,488	401,628	341,384
Totals	\$ <u>11,514,630</u>	\$ <u>2,658,141</u>	\$ <u>3,824,443</u>	\$ <u>10,348,328</u>	\$ <u>1,552,084</u>

Compensated absences are paid from the General Fund in the form of vacation pay.

The Village of Pinecrest refinanced the 2004 and replaced it with the Series 2014 at favorable rates. The defeasement resulted in an economic gain (difference between the present value of the old and new debt service payments) of \$ 207,608.

VILLAGE OF PINECREST, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
September 30, 2014

NOTE 2 - DETAILED NOTES ON ALL FUNDS (continued)

Analysis of debt service streams is as follows:

Refunded debt:

Series 2004 Florida Municipal Loan

Revenue Bonds:

Principal payments	\$	1,990,000
Interest payments and fees		<u>576,331</u>

Debt stream on refunded debt 2,566,331

Refunding debt:

G. Other Post-Employment Benefits (OPEBs)

1. Description

In June 2004, GASB issued Statement No. 45, Accounting and Financial Reporting by Employers for Postemployment Benefits Other Than Pensions. GASB No. 45 requires employer governments to account for and report the annual cost of other postemployment benefits in the same manner as they do for pensions. The Village recognizes the cost of postemployment healthcare in the year when the employee services are received, reports the accumulated liability from prior years, and provides information useful in assessing potential demands on the Village's future cash flows. Recognition of the liability accumulated from prior years will be phased in over 15 years, commencing with the 2008 liability.

VILLAGE OF PINECREST, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
September 30, 2014

NOTE 2 - DETAILED NOTES ON ALL FUNDS (continued)

Under Florida State law, the Village of Pinecrest is required to offer a continuation of health insurance coverage to retirees at the same premium that is charged by the insurance carrier with respect to active employees. Currently, the Village does not have any retirees who are receiving post-employment benefits, nor plans to contribute directly towards post-employment benefits other than making insurance available. Therefore, for purposes of the actuarial valuation, future retirees were assumed to contribute an amount equal to the actual premiums for health insurance that are charged by the carrier and the actuary assumed that there will be no other post-employment benefits provided. Based on this assumption, there is an implied subsidy in the healthcare insurance premium for retirees because the premium charged for retirees will be the same as the premium charged for active employees, who are younger than retirees on average. The actuary assumed that monthly retiree healthcare premiums at age 65 for single coverage would be \$ 425 higher on average for the HMO plan if the subsidy were not in place. Therefore the actuary treated \$ 425 per month as the implied subsidy at age 65 for purposes of GASB 45 and the subsidy decreased for younger ages based on the assumption that healthcare costs increase at a rate of 3.00% for each year of age. The plan which is a single employer plan is not accounted for as a trust fund and an irrevocable trust has not been established to fund this plan. The plan does not issue a separate financial report. It is the Village’s current policy to fund the plan on a “pay-as-you-go” basis from the General Fund.

2. Annual OPEB cost and net OPEB obligation

The Village’s annual other post-employment benefit (OPEB) cost (expense) is calculated based on the annual required contribution of the employer (ARC). The Village has engaged an actuary to calculate the ARC and related information per the provisions of GASB Statement 45. The ARC represents a level of funding that, if paid on an ongoing basis, is projected to cover normal cost each year and to amortize any unfunded actuarial liabilities (or funding excess) over a period not to exceed 15 years.

The following table shows the components of the Village’s annual OPEB cost for the year, the amount actually contributed to the plan, and the Village’s net OPEB obligation at September 30, 2014:

Annual required contribution	\$	109,000
Interest on net OPEB obligation		21,000
Adjustment to annual required contribution		<u>(45,000)</u>
Annual OPEB cost		85,000
Contributions made		<u>(17,000)</u>
Increase in net OPEB obligation		68,000
Net OPEB obligation, October 1, 2013		<u>517,000</u>
Net OPEB obligation, September 30, 2014	\$	<u><u>585,000</u></u>

VILLAGE OF PINECREST, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
September 30, 2014

NOTE 2 - DETAILED NOTES ON ALL FUNDS (continued)

The annual OPEB cost, the percentage of annual OPEB cost contributed to the Plan and the net OPEB obligation for 2014 and two preceding years were as follows:

Fiscal Year Ended	Annual OPEB Cost	Percentage of OPEB Cost Contributed	Net OPEB Obligation
9/30/2012	\$ 91,000	27.5%	\$ 447,000
9/30/2013	\$ 93,000	24.7%	\$ 517,000
9/30/2014	\$ 85,000	20.0%	\$ 585,000

3. Funded Status and Funding Progress

The funded status of the Plan as of January 1, 2014 was as follows:

Actuarial accrued liability	\$ 567,000
Actuarial value of Plan assets	-
Unfunded actuarial accrued liability (UAAL)	\$ 567,000
Funded ratio	0%
Covered payroll	\$ 6,979,000
UAAL as a percentage of covered payroll	8.1%

The actuarial valuation for the calculation of OPEB involves estimates of the value of reported amounts and assumptions about the probability of events in the future. Amounts determined regarding the funded status of the Plan and the annual required contributions of the employer are subject to continual revision as actual results are compared to past expectations and new estimates are made about the future. The required schedule of funding progress presented as required supplementary information is designed to provide multi-year trend information to show whether the actuarial value of Plan assets is increasing or decreasing over time relative to the actuarial accrued liability for benefits. However, the Village has not contributed assets to the Plan at this time.

4. Actuarial Methods and Assumptions

Projections of benefits are based on the substantive plan (the plan as understood by the employer and plan members) and include the types of benefits in force at the valuation date and the pattern of sharing benefit costs between the Village and the plan members to that point. Actuarial calculations reflect a long-term perspective and employ methods and assumptions that are designed to reduce short-term volatility in actuarial accrued liabilities and the actuarial value of assets. Significant methods and assumptions were as follows:

VILLAGE OF PINECREST, FLORIDA
 NOTES TO THE FINANCIAL STATEMENTS
 September 30, 2014

NOTE 2 - DETAILED NOTES ON ALL FUNDS (continued)

Valuation date	January 1, 2014
Actuarial cost method	Projected unit credit
Amortization method	15-year open period; level-dollar payment
Inflation rate	2.75%
Investment return	4.00%
Healthcare cost trend rate(s):	<u>Insurance Premiums</u>
Select rates	8.00% for 2014 graded to 5.50% for 2019
Ultimate rate	5.0% per annum

H. Equity Classifications and Policies

1. Fund Statements

Fund balances of the governmental funds are classified as follows:

Non-spendable - amounts that cannot be spent either because they are in non-spendable form or because they are legally or contractually required to be maintained intact.

Restricted - amounts that can be spent only for specific purposes because of constitutional provisions, charter requirements or enabling legislation or because of constraints that are externally imposed by creditors, grantors, contributors, or the laws or regulations of other governments.

Committed - amounts that can be used only for specific purposes determined by a formal action of Village Council. Village Council is the highest level of decision making authority for the Village. Commitments may be established, modified, or rescinded only through ordinances or resolutions approved by Village Council. It is equally difficult to remove the constraint provided by an ordinance or a resolution.

Assigned - amounts that do not meet the criteria to be classified as restricted or committed but that are intended to be used for specific purposes. Under the Village's adopted policy, only Village Council may assign amounts for specific purposes.

Unassigned - all other spendable amounts. The General Fund is the only fund that reports a positive unassigned fund balance amount. In other governmental funds it is not appropriate to report a positive unassigned fund balance amount. However, in governmental funds other than the General Fund, if expenditures incurred for specific purposes exceed the amounts that are restricted, committed, or assigned to those purposes, it may be necessary to report a negative unassigned fund balance in that fund.

VILLAGE OF PINECREST, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
September 30, 2014

NOTE 2 - DETAILED NOTES ON ALL FUNDS (continued)

Fund balance flow assumptions

Sometimes the Village will fund outlays for a particular purpose from both restricted and unrestricted resources (the total of committed, assigned, and unassigned fund balance). In order to calculate the amounts to report as restricted, committed, assigned, and unassigned fund balance in the governmental fund financial statements a flow assumption must be made about the order in which the resources are considered to be applied. It is the Village's policy to consider restricted fund balance to have been depleted before using any of the components of unrestricted fund balance. Further, when the components of unrestricted fund balance can be used for the same purpose, committed fund balance is depleted first, followed by assigned fund balance. Unassigned fund balance is applied last.

Fund balance policy

The Village of Pinecrest will maintain a minimum unassigned fund balance in the General Fund of 10% of budgeted expenditures and transfers out. The Village shall strive to keep an additional unassigned fund balance for extraordinary expenditures and mitigation due to the Village being located in a hurricane zone. That amount is to be determined each year by Village Council during the budget process.

As of September 30, 2014, fund balances are composed of the following:

	General Fund	Transportation Fund	CITT Public Transit Fund	Capital Projects Fund	Nonmajor Governmental Funds	Total Governmental Funds
Nonspendable:						
Prepays	\$ 181,632	\$ -	\$ -	\$ -	\$ -	\$ 181,632
Restricted:						
Transportation	-	6,368,929	271,136	-	-	6,640,065
Public safety	-	-	-	-	98,525	98,525
Assigned:						
Capital projects	-	-	-	502,180	-	502,180
Subsequent year's budget	556,496	-	-	-	-	556,496
Unassigned Funds	<u>7,419,946</u>	<u>-</u>	<u>-</u>	<u>-</u>	<u>-</u>	<u>7,419,946</u>
Total fund balances	<u>\$ 8,158,074</u>	<u>\$ 6,368,929</u>	<u>\$ 271,136</u>	<u>\$ 502,180</u>	<u>\$ 98,525</u>	<u>\$ 15,398,844</u>

The makeup of the "Subsequent Year Appropriations" in the General Fund consists of:

Carryovers (see footnote 3F)	\$ 126,516
Used to balance to 2015 budget	<u>429,980</u>
Total	<u>\$ 556,496</u>

VILLAGE OF PINECREST, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
September 30, 2014

NOTE 2 - DETAILED NOTES ON ALL FUNDS (continued)

2. Government-Wide and Proprietary Fund Statements

Equity is classified as net position and displayed in three components:

- a. Net investment in capital assets - consists of capital assets, net of accumulated depreciation and reduced by the outstanding balances of any bonds, notes or other borrowings that are attributable to the acquisition, construction or improvements of those assets.
- b. Restricted - consists of net position with constraints placed on the use either by: 1) external groups such as creditors, grantors, contributors or laws or regulations of other governments, or 2) law through constitutional provisions or enabling legislation.
- c. Unrestricted - consists of all other net position that do not meet the definition of "restricted" or "net investment in capital assets."

Net position flow assumption

Sometimes the Village will fund outlays for a particular purpose from both restricted (e.g., restricted bond or grant proceeds) and unrestricted resources. In order to calculate the amounts to report as restricted - net position and unrestricted - net position in the government-wide and proprietary fund financial statements, a flow assumption must be made about the order in which the resources are considered to be applied. It is the Village's policy to consider restricted - net position to have been depleted before unrestricted - net position is applied.

NOTE 3 - COMMITMENTS AND CONTINGENCIES

A. Risk Management

The Village is exposed to various risks of loss related to torts, theft of or damage to and destruction of assets, errors and omissions, injuries to employees, and natural disasters for which the Village carries insurance through the Florida League of Cities. There were no significant reductions in insurance coverage from the coverage in the prior year. There were no settled claims that have exceeded insurance coverage for each of the past three years.

B. Litigation

The Village is a defendant in various lawsuits incidental to its operations. Although the outcome of these lawsuits is not presently determinable, it is the opinion of the Village's management and legal counsel that resolution of these matters will not have a material adverse effect on the financial condition of the Village.

VILLAGE OF PINECREST, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
September 30, 2014

NOTE 3 - COMMITMENTS AND CONTINGENCIES (continued)

C. Contingent Liabilities

Amounts received or receivable from grantor agencies are subject to audit and adjustment by grantor agencies. Any disallowed claims, including amounts already collected, may constitute a liability of the applicable funds. In the opinion of management, future disallowances of grant expenditures, if any, would not have a material adverse effect on the Village's financial condition.

D. Interlocal Agreement

On June 17, 1997 the Village entered into an interlocal agreement with Miami-Dade County to pass thru the Village's share of the franchise fee on electricity collected by Florida Power and Light. Under this agreement, the County remitted \$ 766,047 to the Village for the fiscal year ended September 30, 2014. This agreement will be in effect as long as the Ordinance establishing the collection of these fees is in place.

On July 17, 2003 the Village entered into another interlocal agreement with Miami-Dade County. Under this agreement, the County remitted \$ 654,642 to the Village for the fiscal year ended September 30, 2014 for the purpose of providing transportation services within the Village. This agreement shall remain in effect as long as the County receives net proceeds from the ½ cent County Transit System Surtax as authorized by Miami-Dade County Ordinance No. 02-116 pursuant to the authority of Section 212.055(1) Florida Statutes 2002.

E. Pension Plans

1. Defined Contribution Plan

The Village of Pinecrest 401(a) Money Purchase Plan is a defined contribution plan established by the Village to provide benefits at retirement for its employees. All full time employees must be a member of the plan. Plan members are required to contribute 7% of base earnings for the plan year. The Village is required to contribute 10% of base earnings for each participant for the plan year. Plan provisions and contribution requirements are established and may be amended by the Village Council.

The Plan's assets are administered by ICMA Retirement Corporation. The Village does not exercise any control over the plan assets. Village contributions to the plan were \$ 458,834. There are current year forfeitures of \$ 33,152 and no carryover from last year. There are no unused funds at year end for use in fiscal year 2014. Employee contributions were \$ 321,184 for the year ended September 30, 2014.

VILLAGE OF PINECREST, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
September 30, 2014

NOTE 3 - COMMITMENTS AND CONTINGENCIES (continued)

2. Defined Benefit Plan

The Village participates in the Florida Retirement System (FRS), a statewide cost-sharing multiple-employer public employee retirement system (PERS), available to governmental units within the state and administered by the State of Florida Division of Retirement, Department of Administration. The sworn police personnel are eligible to participate in the FRS. All rates, benefits and amendments are established by the State of Florida through its legislative body. FRS members with six years of service are entitled to a retirement benefit. Such benefits, payable monthly for life, are based on the percentage shown below, times the number of years of credited service, times the average of the member's five highest years of earnings.

Special Risk Class - Police:

Retirement based upon 25 years of special risk service 3.00% per year.

Normal retirement age for sworn police personnel is:

- Age 55 and vested;
- Have at least 25 years of special risk creditable service;
- Combined 25 years of special risk creditable service and military service and are age 52 or;
- Have at least 30 years of any creditable service.

If a member is vested but has not yet reached normal retirement age, early retirement can be taken. The amount of the benefit will be reduced by 5.00% for each year the retirement date precedes normal retirement age.

Contributions to the FRS are made by the Village as a percentage of covered payroll. The Village contribution rate to the FRS plan during the year ended September 30, 2014 was 19.06% from October 1, 2013 through June 30, 2014 and 19.82% from July 1, 2014 through September 30, 2014. The employee is required to contribute 3.00%. At September 30, 2014, the Village had forty-nine (49) sworn police personnel participating in the FRS.

The contribution requirements of covered payroll and actual contributions made for fiscal year 2014 and the three preceding years were as follows:

	<u>2014</u>	<u>2013</u>	<u>2012</u>
Employer contribution requirements	\$ 702,401	\$ 578,797	\$ 518,155
Employee contribution requirements	\$ 109,465	\$ 108,933	\$ 108,704
Contributions made (100%)	\$ 811,866	\$ 687,730	\$ 626,859
Total covered payroll	\$ 3,648,836	\$ 3,631,098	\$ 3,623,467
Percent of contributions to total covered payroll	22.25%	18.94%	17.30%

VILLAGE OF PINECREST, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
September 30, 2014

NOTE 3 - COMMITMENTS AND CONTINGENCIES (continued)

The FRS issues an annual report including the disclosures above, a statement of financial condition, historical and statistical information and an actuarial report. A copy can be obtained from the State of Florida, Department of Management Services, Division of Retirement, 2639 North Monroe Street, Building C, Tallahassee, Florida 32399, or online at www.myfrs.com.

F. Construction Commitments

There are three projects and five equipment purchases on backorder in the General Fund which were not completed by year end and carried over. The projects are:

Mobile app, recreation	\$	3,208
Computer, IT		1,700
Building renovation, Police Dept.		9,621
Police radio		4,782
Tracking software, BPZ		2,880

VILLAGE OF PINECREST, FLORIDA
REQUIRED SUPPLEMENTARY INFORMATION
NOTES TO BUDGETARY COMPARISON SCHEDULES
Fiscal Year Ended September 30, 2014

NOTE 1 - BUDGETS AND BUDGETARY ACCOUNTING:

An annual appropriated budget is adopted for all of the governmental funds except for the Police Forfeiture Fund on a basis consistent with accounting principles generally accepted in the United States except for encumbrances.

The Village follows these procedures in establishing the budgetary data reflected in the financial statements:

- a. The Village Manager submits to the Council a proposed operating and capital budget for the ensuing year. The budget includes proposed expenditures and means of financing them.
- b. Public hearings are conducted to obtain taxpayer comments.
- c. Prior to October 1, the budget is legally enacted through the passage of a budget ordinance.
- d. The Village Council, by motion, may make supplemental appropriations for the year up to the amount of revenues in excess of those estimated. There were supplemental appropriations in the General Fund for an additional \$ 611,699 during the fiscal year ended September 30, 2014.
- e. Formal budgetary integration is employed as a management control devise during the year for all of the funds.
- f. The Village Manager is authorized to transfer part of, all or an unencumbered appropriation within a department within a fund; however, any revisions that alter the total appropriations of any department or fund must be approved by the Village Council. The Departments are General Government, Police, BPZ (Building, Planning and Zoning), Public Works, and Parks and Recreation. The classification detail at which expenditures may not legally exceed appropriations is at the department level.
- g. Unencumbered appropriations lapse at fiscal year end. Unencumbered amounts are reappropriated in the following year's budget.
- h. Budgeted amounts are as originally adopted or as amended. Individual type amendments are not material in relation to the original appropriations.

NOTE 2 - RECONCILIATION OF BUDGETED AND ACTUAL RESULTS

The GAAP to budgetary basis was the same for all funds.

COMBINING FUND FINANCIAL
STATEMENTS AND SCHEDULES

NONMAJOR GOVERNMENTAL FUNDS

Special Revenue Funds

Special revenue funds are used to account for specific revenues that are legally restricted to expenditure for particular purposes.

Police Education Fund - This fund receives funds from judgments, donations and grants to be used to provide training to police department personnel.

Police Forfeiture Fund - This fund is used to account for revenues received from federal, state and local law enforcement forfeitures and seizures which are restricted for law enforcement purposes.

Hardwire Fund - This fund receives funds derived from a tax on land-based phone lines and is used to fund 911 services.

Wireless Fund - This fund receives funds derived from a tax on cell phones and is used to fund 911 services.

Debt Service Fund

Debt Service Fund - This fund is used to accumulate resources and distribute principal, interest and bond related issuance costs on long-term debt payable by the Village of Pinecrest.

STATISTICAL SECTION

STATISTICAL SECTION

This part of the Village of Pinecrest comprehensive annual financial report presents detailed information as a context for understanding what the information in the financial statements, note disclosures, and required supplementary information says about the government's overall financial health.

Contents

Financial Trends:

These schedules contain trend information to help the reader understand how the government's financial performance and well-being have changed over time.

- Table 1 - Net Position by Component
- Table 2 - Changes in Net Position
- Table 3 - Governmental Activities Tax Revenues by Source
- Table 4 - Fund Balances in Governmental Funds
- Table 5 - Statement of Revenues, Expenditures and Changes in Fund Balance

Revenue Capacity:

These schedules contain information to help the reader assess the government's most significant local revenue source, the property tax.

- Table 6 - General Governmental Revenues by Function
- Table 7 - Assessed Value of Taxable Property
- Table 8 - Property Tax Rates - Direct and Overlapping Governments
- Table 9 - Property Tax Levies and Collections
- Table 10 - Principal Taxpayers

Debt Capacity:

These schedules contain information to help the reader assess the affordability of the government's current levels of outstanding debt and the government's ability to issue additional debt in the future.

- Table 11 - Ratio of Outstanding Debt by Type
- Table 12 - Ratio of General Bonded Debt Outstanding
- Table 13 - Computation of Direct and Overlapping Debt

Demographic and Economic Information:

These schedules offer demographic and economic indicators to help the reader understand the environment with which the government's financial activities take place.

- Table 14 - Demographic and Economic Statistics
- Table 15 - Principal Employers

Operating Information:

These schedules contain service and infrastructure data to help the reader understand how the information in the government's financial report relates to the services the government provides and the activities it performs.

- Table 16 - Full Time Equivalent Government Employees by Function
- Table 17 - Operating Indicators by Function
- Table 18 - Capital Assets by Function

Sources: Unless otherwise noted, the information in these schedules is derived from the comprehensive annual financial report for the relevant year.

COMPLIANCE SECTION

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN
ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

To The Honorable Mayor,
Village Council and Village Manager
Village of Pinecrest, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the Village of Pinecrest, Florida (the "Village") as of and for the year ended September 30, 2014, and the related notes to the financial statements which collectively comprise the Village's basic financial statements and have issued our report thereon dated January 30, 2015.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Village's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Village's internal control. Accordingly, we do not express an opinion on the effectiveness of the Village's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or, significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Village's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Village of Pinecrest, Florida

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT TO VILLAGE MANAGEMENT

To The Honorable Mayor,
Village Council and Village Manager
Village of Pinecrest, Florida

Report on the Financial Statements

We have audited the basic financial statements of Village of Pinecrest, Florida (the "Village"), as of and for the year ended September 30, 2014, and have issued our report thereon dated January 30, 2015.

Auditor's Responsibility

We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States and Chapter 10.550, Rules of the Florida Auditor General.

Other Reports

We have issued our Independent Auditor's Report on Internal Control over Financial Reporting and Compliance and Other Matters Based on an Audit of the Financial Statements Performed in Accordance With *Government Auditing Standards*. Disclosures in this report, which is dated January 30, 2015, should be considered in conjunction with this management letter.

Prior Audit Findings

Section 10.554(1)(i)1., Rules of the Auditor General, requires that we determine whether or not corrective actions have been taken to address findings and recommendations made in the preceding annual financial audit report. There were no recommendations made in the preceding annual financial report.

Official Title and Legal Authority

Section 10.554(1)(i)4., Rules of the Auditor General, requires that the name or official title and legal authority for the primary government and each component unit of the reporting entity be disclosed in this management letter, unless disclosed in the notes to the basic financial statements. The Village of Pinecrest was established by the Board of Miami-Dade County Commissioners with the adoption of Ordinance 97-7. The Village does not have any component units.

Financial Condition

Section 10.554(1)(i)5.a., Rules of the Auditor General, requires that we report the results of our determination as to whether or not the Village has met one or more of the conditions described in Section 218.503(1), Florida Statutes, and identification of the specific condition(s) met. In connection with our audit, we determined that the Village did not meet any of the conditions described in Section 218.503(1), Florida Statutes.

Pursuant to Sections 10.554(1)(i)5.c. and 10.556(8), Rules of the Auditor General, we applied financial condition assessment procedures. It is management's responsibility to monitor the Village's financial condition, and our financial condition assessment was based in part on representations made by management and the review of financial information provided by same.

Annual Financial Report

Section 10.554(1)(i)5.b., Rules of the Auditor General, requires that we report the results of our determination as to whether the annual financial report for the Village for the fiscal year ended September 30, 2014, filed with the Florida Department of Financial Services pursuant to Section 218.32(1)(a), Florida Statutes, is in agreement with the annual financial audit report for the fiscal year ended September 30, 2014. In connection with our audit, we determined that these two reports were in agreement.

Other Matters

Section 10.554(1)(i)2., Rules of the Auditor General, requires that we address in the management letter any recommendations to improve financial management. In connection with our audit, we did not have any such recommendations.

Section 10.554(1)(i)3., Rules of the Auditor General, requires that we address noncompliance with provisions of contracts or grant agreements, or abuse, that have occurred, or are likely to have occurred, that have an effect on the financial statements that is less than material but which warrants the attention of those charged with governance. In connection with our audit, we did not have any such findings.

Purpose of this Letter

Our management letter is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, Federal and other granting agencies, Council Members and applicable management, and is not intended to be and should not be used by anyone other than these specified parties.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE
WITH SECTION 218.415, FLORIDA STATUTES

To The Honorable Mayor,
Village Council and Village Manager
Village of Pinecrest, Florida

We have examined Village of Pinecrest, Florida's (the "Village") compliance with the requirements of Section 218.415, Florida Statutes, *Local Government Investment Policies*, during the year ended September 30, 2014. Management is responsible for the Village's compliance with those requirements. Our responsibility is to express an opinion on the Village's compliance based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants and, accordingly, included examining, on a test basis, evidence about the Village's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our examination provides a reasonable basis for our opinion. Our examination does not provide a legal determination on the Village's compliance with specified requirements.

In our opinion, the Village complied, in all material respects, with the aforementioned requirements for the year ended September 30, 2014.

This report is intended solely for the information and use of management and the State of Florida Auditor General and is not intended to be and should not be used by anyone other than these specified parties.
