

POLLUTION SOLUTIONS VIDEO CONTEST

Sponsored by Ygrene Energy Fund

Calling all Miami-Dade County schools! Pinecrest Gardens would like to invite students from **Grades 4-12** to enter our first ever video contest. Contestants will make a short video, 1-3 minutes in length, which identifies and explains one of the 7 types of environmental pollution:

- Air Pollution
- Noise Pollution
- Land Pollution
- Water Pollution
- Thermal Pollution
- Visual Pollution
- Light Pollution

Each video should also demonstrate a proposed solution for the pollution issue that is chosen. For **Official Contest Rules and to submit an Entry Form**, please visit the Pollution Solutions page on the Pinecrest Gardens Website: www.pinecrestgardens.org

**Win \$1000
for your school
plus \$300 for
yourself!**
