AFFIDAVIT FOR EXPIRED MIAMI-DADE PERMIT

This is to certify that I have conducted a review of the plans and I have conducted an inspection at the above referenced property in order to confirm compliance with the approved plans and the South Florida Building Code (including amendments) at the time the permit was obtained. If the plans pertain to a building or a structure, I further certify that the plans conform to the laws as to egress, type of construction and location; that any drawings show the structural design and that the plans and the design conform to the requirements of the technical codes as to strength, stresses, strains, loads and stability.

I fully understand that the Village of Pinecrest Building and Planning Department will not perform any plans review or field inspections and that the Building Official will rely solely upon this "sworn affidavit" to close out this permit.
