Div. 5.25. Tennis Court/Basketball Court Lighting.

The lighting of new or existing tennis courts/basketball courts may be permitted in any zoning district as a conditional use pursuant to Division 3.3. However, such facilities must meet all of the following standards in order to be approved by the Village Council:

a) A photometric plan shall be submitted which specifies the illumination levels, expressed in initial footcandles, along all affected property lines.

b) The lighting shall be designed so that any overspill of lighting onto adjoining properties or street rights-of-way shall not exceed 0.5 footcandle vertically or horizontally and shall not cause any reflected illumination onto adjacent properties, structures or rights-of-way.

c) Lighting standards and fixtures shall not exceed 18 feet in overall height and shall be located within the confines of the tennis court(s)/basketball court(s).

d) Tennis court/basketball court lighting shall not be used between the hours of 10:00 p.m. and 8:00 a.m.

e) Prior to the issuance of a certificate of use, the permittee must submit a letter of compliance from a registered engineer or architect stating that the installation has been inspected under operating conditions and found to be within the requirements set forth above.

f) The lighting shall not be injurious to the area involved or otherwise detrimental to the public welfare.
