FOR IMMEDIATE RELEASE

The newly improved Pinecrest Community Center is now open

Village officials held a rededication ceremony this past Saturday to celebrate the opening of the improved and expanded Pinecrest Community Center.

Pinecrest, FL – It is a new era at the Pinecrest Community Center. Gone are the fixtures and finishes that adorned the original facility. In their place, the center boasts a modern interior design that flows from floor to ceiling in muted greys and whites with lime and tangerine bursts of color. The redesigned space has an extra 7000 square-feet of gym space, additional classrooms, and indoor and outdoor play areas for children.

Mayor Joseph M. Corradino and the Village Council held a rededication ceremony this past Saturday morning to celebrate the center's opening. Following the ceremony, hundreds of residents toured the venue, met instructors and participated in demonstrations.

Guests flowed in and out of areas that include two new movement rooms, a larger spinning room with brand new spin bicycles, and the Community Center Café by **Elia Gourmet**. The eatery features healthy food options with a Mediterranean twist and indoor and outdoor seating.

Programming includes fitness classes, yoga, acting, SAT/ACT prep, keyboard and fencing. For a full program listing and membership pricing, please visit
