

VILLAGE OF PINECREST  
Request for Proposals

**EMERGENCY DEBRIS REMOVAL**  
Project No. 2019-003

ADDENDUM NO. 1

Project Name: Emergency Debris Removal  
Date: March 20, 2019  
Sent: E-mail

This addendum submission is issued to clarify, supplement and/or modify the previously issued Request for Proposals (RFP) Documents, and is hereby made part of the RFP Documents. All requirements of the RFP Documents not modified herein shall remain in full force and effects as originally set forth.

SPECIFICATIONS

The following sections have been edited to reflect this change:

Exhibit A - Scope of Services

**Section 2 - First Response (Initial Push)**

- a. Contractor shall be responsible for mapping their daily work locations within Village and providing a daily photo log of work performed.
- b. Contractor may perform tree hanger removals as directed by the Village. All work performed must include daily work logs with location maps and photo inventory of all work performed.
- c. Prior to pick-up and haul, contractor may perform debris management which includes tree reduction, stump removal/grinding and tree removals for trees still attached to the ground. This work is in preparation for pick-up and hauling once the initial push has been completed. All work performed must include daily work logs with location maps and photo inventory of all work performed.

12645 Pinecrest Parkway, Pinecrest, Florida 33156

T: 305.234.2121 | F: 305.234.2131
