

EYES ON YOUR NEIGHBORHOOD

CRIME PREVENTION UNIT

The Crime Prevention Unit is committed to providing effective solutions to crime related issues affecting the residents of the Village of Pinecrest. Working together with our neighboring communities, our main goal is to educate and inform our citizens of crime trends that are affecting our area. We will continue to develop and work with programs such as Neighborhood Crime Watch and Open and Empty where citizens and business owners are empowered with knowledge and given the tools needed to increase awareness.

The department offers residential and commercial property security surveys which allows us to take an in-depth look at your property and provide recommendations on how to better secure your property using updated or simple solutions. We are constantly monitoring all criminal activity in the Village and are quick to respond with proactive measures and future programming.

If you are interested in any of these free services, or you would like information on how to start a crime watch program in your neighborhood, please contact the Pinecrest Police Department at 305-234-2100.
